

THE KINERGY DOCTORS' NETWORK

Your patient, in safe hands.

Thorough assessment within your diagnosis, a clear treatment plan, and progress notes back to you.

CO-CARE, NOT HAND-OFF

The loop always comes back to you.

You stay the patient's doctor. We assess, treat and report back, and if anything changes, the patient returns to your care promptly.

WHAT YOU CAN EXPECT

Clinical, transparent, and on your side.

01

Progress notes

A short clinical update after the assessment and at discharge, so you always know where your patient stands.

02

Your diagnosis, respected

We work within your diagnosis and precautions. Red flags or a change in condition come straight back to you.

03

Priority appointments

Patients you refer are seen promptly, so recovery starts while your advice is fresh.

04

A direct line

Speak to Dr. R. Kalaivani about any patient, before or during their care.

No referral fees, ever.

Referrals are a clinical decision. We earn them with care and communication.

WHAT WE SEE

Conditions we commonly treat.

01 Neck pain and stiffness

02 Lower back pain and sciatica

03 Shoulder pain and frozen shoulder

04 Knee pain and osteoarthritis

05 Hip and glute pain

06 Ankle, heel and foot pain

07 Elbow, wrist and hand conditions

08 Sports and overuse injuries

09 Post-operative rehabilitation

10 Posture and work-related strain

ADVANCED EQUIPMENT ON SITE

The right tool, used only where it helps.

Decompression

Shinhwa Medical Thera Master

Computer-controlled spinal decompression for selected neck and back conditions.

Shockwave

REMED shockwave

Focused acoustic waves for stubborn tendon and soft-tissue pain.

Electrotherapy

Chattanooga Intellect Mobile 2

Electrotherapy and therapeutic ultrasound to settle pain while strength is rebuilt.

THE CLINICAL TEAM

Every assessment starts with a physio, not a screen.

Assessment first. Then the right tool.

Kinergy is the advanced physiotherapy unit of Wellness Physiotherapy in Coimbatore. Every plan is built around how the patient moves: hands-on care, guided exercise, and advanced technology only where it genuinely helps.

 **Opposite Ganga Hospital**II Floor, PIR Building, 1024 Mettupalayam Road, Saibaba Koil,
Coimbatore 641046**+91 99946 61767**

REFER A PATIENT

Three simple steps.

1

Send the patient

With your referral note and working diagnosis, or message us their details on WhatsApp.

2

We arrange the assessment

We contact the patient, assess within your diagnosis and precautions, and agree a plan.

3

You hear back from us

A progress note after the assessment and at discharge, by WhatsApp or email.
